JR Tamachi Station (Yamanote Line, Keihin-Tohoku-Line, about a 6 minute walk)

When exiting the Shibaura (East) Exit, immediately turn left and take the stairs or the elevator to the ground level. Walk parallel to the train tracks. Upon reaching the pedestrian tunnel exit, turn right, walking under the monorail tracks, then cross the street. With the Minato-ku Sports Center on your left, walk towards the Aiiiku Hospital, which looks like a modern building placed on top of a traditional brick building. The entrance for our company is across the street from the hospital entrance. Please note that our entrance can be difficult to see from the street.

Subway Mita Station (Mita Line, Asakusa Line – about a 7 minute walk)

Upon leaving the A6 exit, turn right and then take the next right into a small street. Walk towards the train tracks, then veer left to the pedestrian tunnel. Upon reaching the tunnel exit, continue walking under the monorail tracks, then take the crosswalk. With the Minato-ku Sports Center on your left, walk towards the Aiiiku Hospital, which looks like a modern building placed on top of a traditional brick building. The entrance for our company is across the street from the hospital entrance. Please note that our entrance can be difficult to see from the street.

If you wish to come by car, please inform us in advance. Parking is limited.
